Mr. Tom Turner,

This is to inform you that I have received the packet on the RRG Clayton Chemical Site. We are sending this to our attorney for review.

According to our records, we only had 25 gallons removed from our site. We have no idea where it was sent and would like our name removed from the list, considering the amount we had removed. We have all the documentation on this, and would send it to you if needed.

A handwritten signature in cursive script, appearing to read "Ronald Nathan".

Ronald Nathan
